@Denis_Loubet This was one of your first digital covers... do you have the original files so I can make a full res poster?

What a great idea 🙌

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017
Richard, you claim to have high resolution files of the Ultima cover paintings. Release them, and fans will write in gratitude :)

-  **Richard Garriott** @RichardGarriott · 14 oct. 2017
Hm, the paintings have been framed for decades, we would need to remove them and scan them. Will explore.

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017
I'm grouse at the thought of messing with the paintings and frames to get the scans. But I meant what I said about the fans willing..

-  **Dominus of Eault** @Dominus_Eault · 14 oct. 2017
This is serious business, the paintings might be stuck to the cover glass. Be careful!

-  **Richard Garriott** @RichardGarriott · 15 oct. 2017
I was careful to not them well.

@Denis_Loubet while you are looking for those, can you look for the SI intro file as well, pretty please :)

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017
You're in luck, I KNOW I have those somewhere :)

-  **Richard Garriott** @RichardGarriott · 14 oct. 2017
That is GREAT news!

-  **Stefan Edward Jones** @StefanJones · 14 oct. 2017
Bad news: It's on 5.25" floppy disc.
Ten of them.

-  **Dominus of Eault** @Dominus_Eault · 14 oct. 2017
Of course :)

-  **Stefan Edward Jones** @StefanJones · 14 oct. 2017
(Joking)
(But man, to think of the media that artists used for backups that have come and gone... zip drives, mag tapes...)

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017
That's it!

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017

May be the first digital Ultima cover, but cover to OMEGA, Ultima Underworld 2, Wing Commander, and Shadowrun were digital as well.

-  **Slagner's Random Gaming** @Slagner · 14 oct. 2017
Underworld 2 cover is amazing

Rendered the paragon and tae in 3D Studio, and did the flame background in Fractal Design Painter (Now Corel Painter).

-  **Dominus of Eault** @Dominus_Eault · 14 oct. 2017
Thanks for explaining your workflow. So many years ago but still great to know :)

-  **Denis Loubet** @Denis_Loubet · 14 oct. 2017
The background was a gradient of white to yellow to orange to red. Then brushed over it in wavy vertical strokes with displace brush.
